Usage Policy

Usage Policy for Authorized Users of Subscribed Electronic Resources of Indian Institute of Technology Jodhpur

The Indian Institute of Technology Jodhpur Library subscribes to electronic resources of academic interest to support the academic activities of the Students, Faculty and Staff Members of the Institute. These resources are purchased by the Institute either directly or through consortia. The usage of these resources is governed by license and contract agreements. Each electronic resource, whether purchased individually or through consortia, contains strict guidelines on the use of resources by authorized users, which are:

1. Authorized Users are individuals who are affiliated to the organization by way of employment or students/scholars of an institution;
2. Individuals should use these resources for academic or research purpose only;
3. Modification of learning resources available from these electronic resources is prohibited;
4. Authorized users should not use the articles/documents from these electronic resources, for commercial purpose. Whenever and wherever these articles/documents are used, due credit of copyright should be given to the source;
5. Downloading resources through automatic programs or speed boosters is strictly prohibited;
6. Distributing these resources through photocopies, printouts for purposes other than academic interest or sharing one's individual access details is strictly prohibited;
7. Mounting or distributing any part of the licensed material on any electronic network, including the Internet and the World Wide Web, other than the Secure Network (a network which is only accessible to "authorized users" whose conduct shall be subjected to regulation by the licensee) is prohibited;
8. Individual publishers have their discretion to terminate license for use of their resources on violation of any of the above instructions; and
9. In case of occurrence of any of the above mentioned misuse of resources, access to the resources including library membership of the user will be forfeited.

Application of Indian/International Laws

Indian Institute of Technology Jodhpur does not permit the illegal downloading and/or sharing of copyrighted material in any form or manner. Electronic resources are copyrighted and are subject to all applicable copyright and protection rights under the laws of India and other countries. All uses including downloading, printing or creating copies of content from these resources must be consistent with existing fair use laws as defined by the copyright law of India or international law.

Policy on Denying Access

Violators of Indian Institute of Technology Jodhpur electronic resource usage policy risk having their library access ceased and access to the resource(s) blocked. This is applicable to all users of this service.
