

## Library Virtual Tour

## Requesting Article/ Books not available in the library collection

### Document Delivery Service (DDS)

The Document Deliver Service (DDS) at IIT Jodhpur makes sure that users can get the information they need for their academic and research projects by letting them request and receive copies of journal articles, conference proceedings, and other documents from outside sources.

### Inter Library Loan Service (ILL)

The ILL service allows faculty, students, and staffs to request books, journal articles, conference papers, and other materials that are not available in our local library. By tapping into the collections of partner institutions, we can fulfill your academic and research needs, expanding the horizons of your scholarly pursuits.
